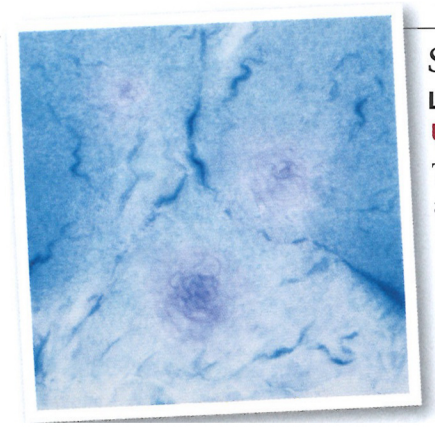
LEHMANN MAUPIN

HONG KONG TATLER



SHIRAZEH HOUSHIARY

LEHMANN MAUPIN GALLERY HONG KONG

UNTIL JANUARY 9

The sculptures of London-based Iranian artist Shirazeh Houshiary explore the spiritual, often investigating ancient mystical doctrines, and display a strong Persian influence. Two highlights of her first solo Hong Kong show are the stainless steel sculpture *Resonance* and *Soar* (left), a mixed-media piece. **lehmannmaupin.com**
