Sean Kennedy

**At Rachael Uffner Gallery
Through October 25th**

There is nothing new about making art out of corporate logos and advertising design, but Sean Kennedy's use of hard-edge graphics, Plexiglas "vitrines", and folding tables gives his art an impressive twist on this Pop tradition. The work is visually stunning and suggests a promising career for this young 29-year-old artist, whose art is very affordable and great for entry-level collectors.
