### Todd James aka REAS "Great Adventure" Exhibition

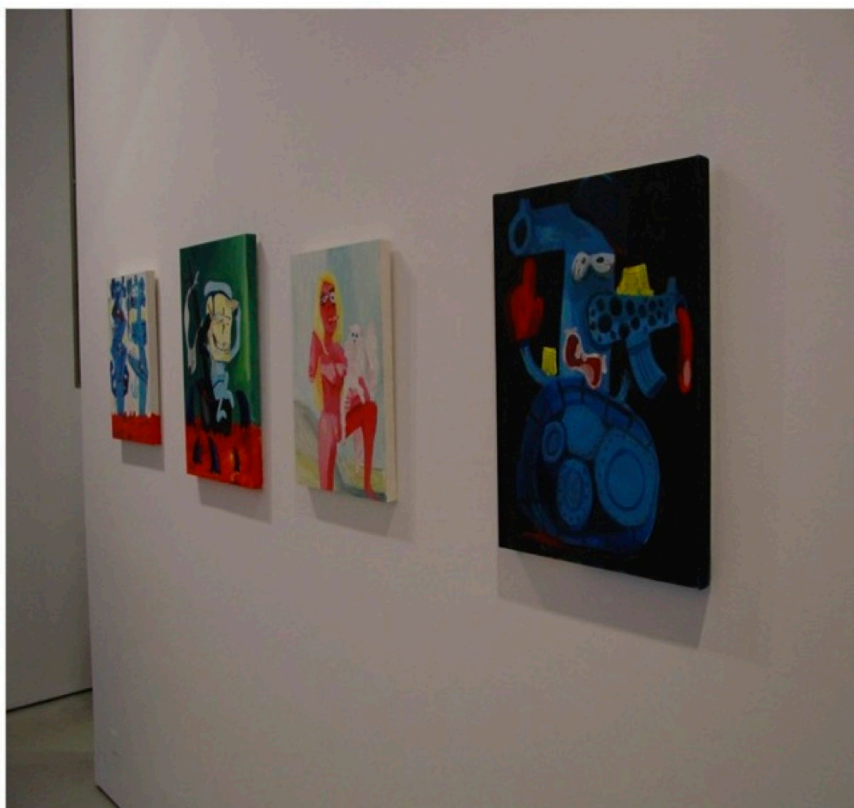

September 22nd 10, 18:00 | [James Oliver](#)

7 [retweet](#) [Share](#)

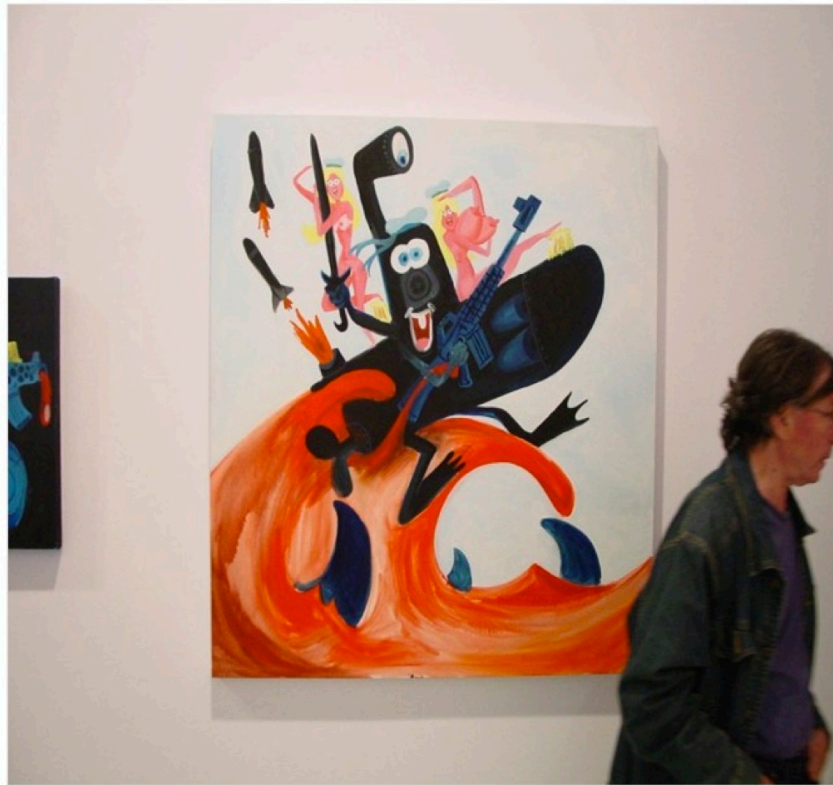

Todd James aka REAS has opened his highly anticipated exhibition "Great Adventure" at Galeria Javier López to a warm reception. The exhibition embraces a war theme with the artists unique style of work providing some great humour to each piece, similar to his exhibition at Gering & López earlier in the year.

Thanks to [Arrested Motion](#) for the info.
